

2nd September 2009

Dear Parents

Speech festival 2009/10

We have received notice from the Hong Kong Schools Music and Speech Association that entry for Speech festival 2009/10 will start from 3rd September and close on 11th September.

We invite parents and students to enter the Solo Verse Speaking section for year 5-- 8 group for Putonghua and English. Our teachers will be teaching our students to recite these pieces at school and we do expect parents to do their part at home to encourage and help with practice.

Parents who are interested in allowing their child to join the festival should sign and return this slip together with a cheque for HK\$150 for registration, materials and handling fee for each entry. Parents who would like their child to enter both Putonghua and English will need to pay HK\$300.

Entries must be received by the close of business on 7th September 2009 and late entries will not be entertained.
